## **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:
2. The prior art fails to disclose or suggest a method comprising the steps of inserting an entry alignment device through the conjunctiva and sclera to create entry apertures without pulling back the conjunctiva and wherein the entry apertures seal without the use of sutures. This limitation in combination with all of the limitations of claims 1, 55, 67 and 78, makes the claims allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
